

# Western Elmore County Recreation District

Summer is upon us!

It's thrilling to know that our community will soon have the privilege of enjoying two incredible public pools! Both will provide fantastic opportunities for recreation and relaxation. The outdoor city pool will be ideal for basking in the summer sunshine, while the WECRD Aquatic Center will ensure aquatic fun all year round, no matter what the season. Get ready to jump in and make a splash!

We're making great progress as Phase VI gets underway. Our architects and board are actively drafting proposals for the next round of bidding, aiming to secure bids for the remainder of the project. In addition, we'll be gathering estimates for individual installations, including walls, ceilings, HVAC systems, electrical work, plumbing, pool pumps, showers, sinks, and toilets. Breaking down the costs will be instrumental in strengthening our grant applications.

Meanwhile, the Recreation Foundation is developing a promotional video to highlight the progress we've made and to gather feedback from Mountain Home residents. I've already had the chance to preview a draft, and it looks fantastic—I can't wait for the final version to be completed and shared with everyone!

As always, please direct any questions to [office@wecrd.org](mailto:office@wecrd.org), and we will do our best to provide an answer. You are also welcome to attend our monthly board meeting, held every Wednesday at 6 PM. Dates and times are published on our website and Facebook.

The Recreation Foundation, which was formed to secure donations for the construction and ongoing programs at the Aquatic Center meets every 2nd and 4th Thursday at 11 AM at the WECRD Building.
