

Wishing you a wonderful fall season!

In September, we received bid packages from our architects and had to make a few minor adjustments for clarification purposes; once that is done we will announce the next phase of our project through a request for contractor qualifications notice in the MH News. As we waited for the bid packages, we had the pleasure of participating in the Air Force Appreciation Day at Carl Miller Park. The event was made even more memorable thanks to local artist Marcus Mashburn, who shared his vibrant interpretation of the future Aquatic Center with the community. We were thrilled by the strong turnout and the number of residents who signed up for tours. We're looking forward to welcoming them soon and proudly showcasing the progress we've made.

Meanwhile, Betty Ashcraft and the Recreation Foundation have been tirelessly promoting the Aquatic Center, organizing a steady stream of tours to keep the momentum going. Their dedication continues to reflect the heart of WECRD—a team united by purpose and guided by a mission that began years ago and still drives us today.

As always, please direct any questions to office@wecrd.org, and we will do our best to provide an answer. You are also welcome to attend our monthly board meeting, held every Wednesday at 6 PM. Dates and times are published on our website and Facebook.
