

***Welcoming an EXCITING NEW YEAR!***

***The WECRD Board has chosen a new Construction Manager to oversee completion of the Aquatic Center project. Please WELCOME Andersen Construction to the Team!***

***Our next priority will be gathering cost estimates and finalizing contractor agreements. While this represents the project's final stage, it is expected to include several sub-phases within the overall process.***

***The phases will cover all critical aspects of construction—including interior walls and ceilings, plumbing, electrical systems, showers, sinks, toilets, and every other feature necessary to ensure the facility is fully operational.***

***The Recreation Foundation continues to play a vital role in advancing the Aquatic Center — actively promoting the project and seeking additional funding through grants and donations. They also host guided tours, offering residents an inside look at the ongoing progress.***

***As always, please direct any questions to [office@wecrd.org](mailto:office@wecrd.org), and we will do our best to provide an answer. You are also welcome to attend our monthly board meeting, held every Wednesday at 6 PM. Dates and times are published on our website and Facebook.***

***For more information, please visit our website at [www.wecrd.org](http://www.wecrd.org).***
